(Assigned by chairman church com.)

PLAN OF CHAPEL SEATING

N.B. No. 1 is on the aisle, 5 the inside seat on *L* and *R*, 6 the inside seat on *R.C.* and *L.C.* It is important that each student should keep *exactly* to the seat assigned during the entire service, even though there are absentees on either side of him. Cuts should be followed up at once in order to avoid possible errors.

Excuses from any chapel service are given only by the Principal's office or, in case of illness, by the Medical Advisor.

Excuses to attend any church service other than the one chosen must be secured *in advance* from the chairman of the church committee.

SOCIETIES: Mr. Graham
ENTERTAINMENTS: Prof. Benner
CHURCHES: Mr. Guy H. Eaton
CURRICULUM: Prof. Forbes
LIBRARY: Mr. Freeman
ENTRANCE EXAMINATIONS: Mr. Lynde

Absences, Excuses, Etc.

1. Each student should keep an accurate record of all his absences, including day and evening study-hour absences.

2. All out-of-town excuses are granted by the Principal or his private secretary. Students report at the school office immediately upon their return to Andover. By failing to report promptly a student forfeits the privilege of further out-of-town excuses. The misuse of this excuse calls for special discipline. A student absent from town without permission forfeits his connection with the school.

3. Every absence of the student from recitation, daily chapel, Sunday service, or from his room during study hours, is to be accounted for; and excuses should be secured in advance whenever the necessity can be foreseen. In case of illness, notice must be sent *at once* to the Medical Advisor who investigates daily all cases of illness, and grants excuses where the conditions warrant them.

Special importance is attached to meeting all appointments immediately preceding and following vacation and recess periods. A failure to meet such appointments must be regarded as a serious offense.

4. Recitations missed, whether excused or not, are to be made up to the satisfaction of the instructors. A failure to meet the requirements of the instructor in making up such exercises may prevent the excusing of the absence.

5. Students are to consult their class officers in reference to all changes in their studies. Students rooming in buildings in

charge of resident teachers secure all day and evening study-hour excuses from the teacher in charge. All others obtain such excuses from their class or division officers. Excuses should be obtained and all school business with the teachers transacted, if possible, during the day.

6. Absence marks are incurred for all unexcused absences from required school appointments, i. e., church, chapel, gymnasium, recitation, and school study-hour.

One absence mark is charged for failure to meet the above appointments with the exception of evening study-hours.

A student absent from his house without excuse at any time from 8 p.m. to 8.30 p.m. is charged one absence mark and at any time from 8.30 p.m. to 10 p.m., two absence marks. In case of students absent from their houses after inspection has been taken the penalty is doubled.

Any student absent from his house without excuse at any time after 10 p.m. renders himself liable to dismissal.

7. Demerit marks are given (a) for failure to report in advance inability to prepare the assigned lesson, the student running his chance of being called upon to recite; (b) for inattention or disorder, which necessitates his withdrawal from classroom; (c) for reports of house disorder, at the discretion of the faculty; (d) for special offenses designated by faculty vote; (e) for failure to keep room in proper order.

8. The privilege of out-of-town and study-hour excuses, including society excuses, may be withdrawn by faculty vote, where a student's scholarship is low or it is felt that such excuses are seriously interfering with the regular school work.

9. Smoking is forbidden in public places, i. e., upon the school campus, upon the street (both in Andover and out of town), in stores, and public buildings.

A student who disregards the agreement in his room contract regarding the use of tobacco in the school dormitories forfeits his room and incurs a smoking demerit.

A second offense causes dismissal.

10. Students may ride in automobiles only if they secure special excuse from the Office or are with members of the Faculty.

11. Warnings are sent, whenever possible, to parents and guardians of students who have on record five marks in either list, and a record of eight marks occasions suspension or dismissal from school. At the end of a term three marks are canceled from each student's *absence list.*

House Regulations

1. The school study hours extend from morning chapel to 1.00 p.m.; and from 4 to 6 p.m., except on Wednesdays and Saturdays when day study hours end at 12 m., and from 8 o'clock on every evening.

Students at Williams Hall report for study hour at 7.30 p.m. when the House Master so requests.

2. During study hours, when not meeting class-room appointments, students are to occupy their own rooms, engaged in preparation of school exercises. Boys may pass from room to room within their houses while thus engaged, in so far as such visits contribute to school work, and are conducted in an orderly manner.

3. At ten o'clock each student is to be in his own room and to maintain such quiet as befits the usual retiring hour of the community.

4. At the close of celebrations, after reporting to the school officials, students should report promptly to their house-officers and those in charge of the private houses.

5. The use of tobacco is discouraged by the school authorities, and students are required to observe the regulations of the several private houses regarding the smoking habit.

6. The boarding houses are under license from the trustees of the Academy, and the proprietors are expected to assist the students rooming with them to observe the house regulations. A daily report is sent to the faculty, noting absence from room during evening study hours, and touching the points mentioned in these regulations. These reports are based upon the personal knowledge of the landladies in charge of the houses.

7. Table-board transfers are allowed only at the close of each term. Transfer cards, properly signed, must be deposited at the Registrar's office *before the close of the term.*

Sections 2 and 9 under Absences, Excuses, etc., and Sections 3, 5, and 6 under House Regulations will continue in force for all students remaining in Andover at times when the regular school exercises are suspended, and daily reports are required as at other times.

Customs

1. Students leave chapel by classes. Seniors first — the rear pews are vacated when the occupants of the pew in front have passed.

2. Unless notice to the contrary is given, new students do not vote at school elections.

3. Reports are taken on half-holidays at the Principal's office between 5.00 and 6.15 p.m. from those given out-of-town excuses, and on Sundays at the Vesper Service.

4. Parents of students having scholarship conditions and marks of 80% or above, are notified the last of October and in November, and in the middle of the Winter and Spring terms. A full scholarship report is sent at the close of each term to parents of all students.

5. Students on the "No Excuse" list may be excused by their proper officers for:

Baseball or Football games when at Exeter.
Middlers' Dance.
Robinson Prize debate.
Andover-Exeter concert in Andover.
Means Prize Speaking.
Dramatic Club entertainment.
All evening exercises of Commencement week.

6. Permission to entertain friends overnight should be obtained from the Principal as well as from those in charge of houses.

7. Baseball and football suits are not to be worn in the class-rooms.

8. Excuses to attend church in town should be secured from the chairman of the church committee.
